

MORNING APPEAL

THURSDAY.....MAY 15

An exchange wants all immigrants to be naturalized before securing employment in this country. It says, in that case, "a very undesirable class would be deterred from coming here." But would it not be a substantial closing of our gates to all immigration? It takes five years for a foreigner to be naturalized. Are we to enforce idleness upon him all that time? It would be far better to prohibit immigration outright rather than that the people should come here to live five years in idle poverty.

Coolies are reported to be going into Arizona at a lively rate via Guaymas. There is not the competition in Arizona between the races as in California, and a new race among the Chinese is not noted. All the restaurants but two at Phoenix are run by the Chinese, who visit gambling saloons with the whites, and no bitter feeling is exhibited; so, once over the border, the Mongolian is comparatively safe. This laxity will at once be remedied.

Senator Stewart's Washington residence was made merry Saturday night by the presence of eight little Senate pages. When the reporter called the little fellows had just enjoyed an elegant dinner, and were being entertained by a talented young lady elocutionist. Each one was given a handsome pair of gold cuff buttons.

The Humboldt Land and Cattle Company has incorporated in San Francisco, to operate in the State of Nevada, with \$1,000,000 capital stock, of which \$25,000 has been subscribed. Directors—George W. Grayson, R. R. Grayson, William Bowers, A. W. Scholle and H. G. Hickley.

There are two great needs of our mountain civilization—a flannel shirt that will not shrink so that the wearer cannot get into it without greasing himself, and a woolen sock that will not stretch to the dimensions of a barley sack.—Index.

The purchase and consolidation of another big batch of Chicago breweries by a foreign syndicate has been consummated, and the stock will soon be placed on the English market. The amount involved in the purchase aggregates \$9,400,000.

The Lundy Debating Club will hold a special meeting to-morrow to decide whether a house burns down or up. This momentous question has an important bearing on the future of the camp.—Index.

Grass Valley decided by ballot on Saturday to issue \$20,000 in bonds to build a new school house. The event was celebrated with fireworks Saturday night.

COAST NEWS.

Helena, Mont., school bonds to the amount of \$100,000 brought a premium of \$600. The competition was brisk.

A disagreement of the Los Angeles Republicans over the manner of choosing delegates to the State Convention will probably result in two sets of delegates.

The Cheyenne Indian couriers, it is reported from Helena, Mont., who were sent out to find the new Messiah, who has been preaching a new religion, have returned to their camp with the information that they have met and talked with him. The troops at Fort Custer believe the new Messiah is a Mormon proselyter among the Indians and he is now on the way to the Crows and the guard house is being made ready, where he will be kept if caught.

THE KING WINS.—When the King of Greece started out as a euchre player he made up his mind to win, and he has never lost a game yet. The chief reason for his good playing lies in the fact that every man who plays against him is given to understand that if he wins over three points out of five he will be trotted off to some fortress as a political conspirator.—Detroit Free Press.

Gradually Growing Greater

Small wonder that our business is growing. We have the goods, the prices, and a very faithful worker in the Illustrated Catalogue which we send out Spring and Autumn. It "hangs on a peg" in thousands of homes, and is consulted as often as the almanac. It is a *truthful* book, —not a line put in to mislead. It is a *happy, cheerful* book, full of pictures and descriptions of things that will make life easier and pleasanter. It is an *independent* book, publishing its prices without fear of criticisms or comparisons. It is a *just* book, giving everyone the chance to get the same goods and prices as everybody else, and favoring neither the rich nor the poor, the high nor the low. It is a *handy* book, useful for reference or information, whether you buy of us or not. It is a book for people who want to know "what's going on" in the world of dress. The newest conceits, styles and inventions find places in its handsome pages.

And it costs nothing! Sent free to any address on application. Weinstock, Lubin & Co., Sacramento, Cal. Clothing, Dry Goods, Shoes, Hats, Millinery, Notions, Household Supplies, etc. The Largest General Retail House on the Pacific Coast.

READY MADE DRESSES.

We keep ladies' dresses ready made in cashmere, wool and silk, at prices ranging from \$7.50 to \$27.50 for the complete costumes. The styles are changed twice each year, and full descriptions and illustrations of them are given in our Illustrated Catalogue. WEINSTOCK, LUBIN & CO., Sacramento.

MEN'S \$3.50 TROUSERS.

We are making a great specialty of these goods, and are able to give unusual value for the money. The trousers are neatly cut, thoroughly well made and of medium-weight cloth. We change the patterns each season, and this year offer fine stripes in medium and dark effects. State which you prefer. 11
